# GRADUATION

## AWARDS, BURSARIES, MEDALS, SCHOLARSHIPS

Catholic Student Award - this award is chosen by the staff of Bishop Smith Catholic High School. The award highlights the distinctive nature of the Catholic integration of mind, body and spirit. Education for us is more about who we become rather than what we become - that we are good, compassionate, caring, respectful, and responsible. The student who wins this award represents all those students who ' walk the walk and talk the talk ' and in their own right exemplify the Gospel message in their words and actions.
