Choose your pathway: set the course for a bright future

There is a place for everyone in our school, and an opportunity for every student to be successful. Pathways can be adapted and changed to meet student goals and interests.

- Apprenticeship
- College
- University
- Workforce

Experiential Learning Programs—Co-op Education, Ontario Youth Apprenticeship Program, Special High Skills Majors—provide hands-on learning opportunities.

Dual Credits Program in partnership with Algonquin College allows students to earn college credits while still in high school.

What makes BSCHS right for you?

- Bishop Smith Catholic High School offers a unique culture steeped in school spirit and a sense of community. The tradition of academic excellence is grounded in faith-based principles and offered in a state-of-the-art learning environment that is open and accessible to all students.
- We focus on the whole person, providing relevant learning opportunities and building on students' strengths and interests as we strive to educate the mind, body and spirit.
- We offer a large selection of extra-curricular opportunities to explore, and encourage all students to get involved in activities that interest them so as to build friendships and develop skills.
- Our school within a school ensures a safe and smooth transition for grade 8 students into the high school setting while fully immersed in our school community.
- We are planning for the future—preparing global citizens who are aware of the interconnectivity of the world and their place in it.

Our 21st Century Learners are:

Together we will succeed
