ROLES AND RESPONSIBILITIES

STUDENT:

In consultation with their parents, students will select an activity or activities from the board's list of approved activities, or choose an activity that is not on the list, provided that it is not specified on the ministry's and the board's list of ineligible activities.

Before beginning any activity, students will provide the principal or other school contact with a completed "Notification of Planned Community Involvement Activities" form indicating the activity or activities that they plan to do. This form must be signed by the student and by his or her parent if the student is under eighteen years of age. More than one such form may be submitted when additional activities are planned that were not included on a previously submitted form.

A "Completion of Community Involvement Activities" form must be completed by the student, the student's parent and the community sponsor (that is, the person or organization that provided the community involvement opportunity for the student). The student must submit the form to the principal or other school contact upon completion of the 40 hours or at appropriate intervals determined by the principal.

PARENTS:

Parents should provide assistance to their child in the selection of their community involvement activities. Parents are also encouraged to communicate with the community sponsor and the school principal if they have any questions or concerns.

SPONSORS IN THE COMMUNITY:

One of the objectives of the community involvement requirement is to develop strong ties between the students and their community, fostering valuable and long-term relationships. Persons and organizations within the community may be asked by the student to sponsor a community involvement activity. Any training, equipment, or special preparation that is required for the activity should be provided by the person or organization. It is crucial that students are able to fulfill their community involvement requirement in a safe environment. The person overseeing the student's activity must verify the date(s) and the number of hours completed on the "Completion of Community Involvement Activities" form.

SECONDARY SCHOOL PRINCIPALS:

Principals are required to provide information about the community involvement requirement to parents, students, and community sponsors. Principals are also required to provide students with the information and forms they will need to complete the community involvement requirement, including the board's list of approved activities from which to choose. After a student completes the 40 hours of community involvement and submits all documentation of their completion to the school, the principal will decide whether the student has met the community involvement requirement and, if so, will record it as completed on the student's official transcript.
