

Learning and Technologies Strategic Plan Monitoring

Goal: We will strive to ensure all staff, students and stakeholders have access to the latest technology tools, rich digital learning resources and infrastructure to help foster student success. Establishing and maintaining a stable and reliable internet service, access to high quality software programs and timely IT support for the entire RCCDSB community will be a top priority.

| Priority #2 Infrastructure, Service & Support Specific Goals | Timeline | Staff Member Overseeing/ Monitoring Goal | Evidence of Progression/Completion |
|---|--------------------|---|--|
