

**Media Release: RCCDSB Shares 2022-2023 EQAO Results  
October 13th, 2023**

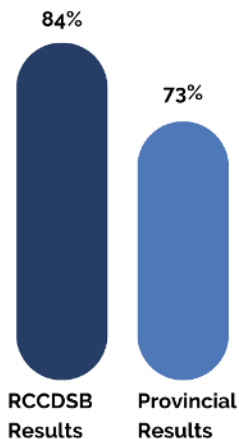

The Renfrew County Catholic District School Board is proud to share the 2022-2023 EQAO results.

Our grade 3, 6, 9 and 10 students participated in the 2022-23 EQAO assessment, and their results showed how hard they have been working in the classroom. These assessments provide a snapshot of a student's knowledge and skills and identify areas that may require additional support.

It should be noted that large-scale assessments such as EQAO differ from robust classroom assessments and evaluations in their purpose, design and how they are scored. Rich classroom assessment and evaluation practices are developed by our exceptional teachers to help their individual students take the next steps in learning and inform students and parents of the student's achievement level.
