

RCCDSB Shares Extraordinary EQAO Results from the 2023-2024 School Year

October 7th, 2024 – RCCDSB is thrilled to announce exceptional results from the latest EQAO standardized testing, reflecting the hard work and dedication of our students, educators, and community. With an impressive increase in average test scores that surpassed the provincial averages in every subject, our students have demonstrated remarkable academic growth this year.

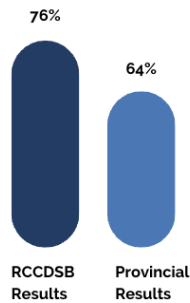

This year’s results highlight the commitment of our educators to provide a rigorous and supportive learning environment. “We are incredibly proud of RCCDSB students’ achievements. Their hard work and perseverance have truly paid off,” said Derek Lennox, RCCDSB Superintendent of Education. The results were as follows:

Grade 3 Reading

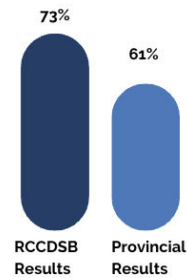

In 2023-2024, 84% of RCCDSB students in grade 3 met or exceeded the provincial standard for reading.

Grade 3 Writing

In 2023-2024, 76% of students in grade 3 met or exceeded the provincial standard for writing.

Grade 3 Mathematics

In 2023-2024, 73% of RCCDSB students in the primary division met or exceeded the provincial standard for mathematics.

Grade 6 Reading

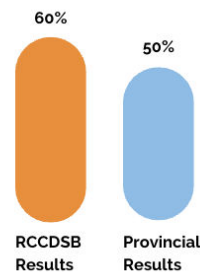

In 2023-2024, 92% of students in grade 6 met or exceeded the provincial standard for reading.

Grade 6 Writing

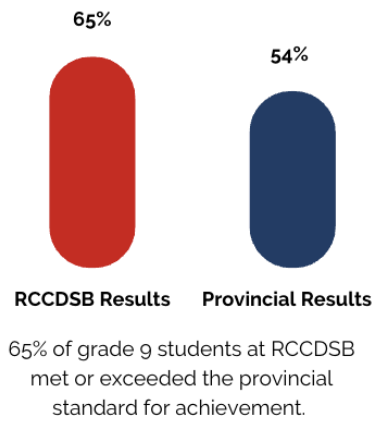

In 2023-2024, 90% of students in grade 6 met or exceeded the provincial standard for writing.

Grade 6 Mathematics

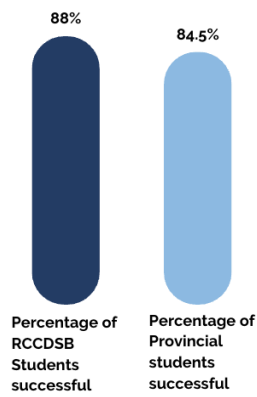

In 2023-2024, 60% of students in grade 6 met or exceeded the provincial standard for mathematics.

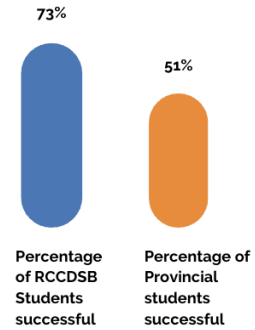

Grade 9 Student Achievement

OSSLT Student Achievement • First time eligible

OSSLT Student Achievement • Previously Eligible

The Board is proud of these results and is delighted to share them with the public. They recognize that such achievements would not be possible without the dedication of our exceptional educators across the Renfrew County Catholic District School Board. Thank you for your ongoing commitment to student achievement and success.
